WHAT DO YOU WANT? WHEN DO YOU WANT IT? Enjoy exercise classes led by some of the USA's top certified instructors. **Stephanie Wulfe Epstein** says her Texas guests returned from their *FUN & FITNESS* cruise this spring very pleased with having had such a wide variety of exercise classes: Water Aerobics, Tai Chi, Yoga, Zumba, Ballroom Dancing and more. A highlight was enjoying dinner each evening in the formal dining room where this photo (below left) was taken.

"Everyone in our little Texas group had a fabulous time! Many are talking already about where we want to go next. Please tell us as soon as you have your next cruises ready to go so we can pick one. Thank you!"
Tammy McAlister, Midland, Texas

"The only way I will cruise now is with *FUN & FITNESS*. You had so many physical activities for us to do on this ship while we cruised to the islands. I would have been too lazy and unhappy without your great fitness coaches and classes in water exercise, deck walking, tai chi and everything else!"
Barb Gough, Staunton, VA

All staterooms can have twin beds or one king.
